

# Welcome

At our home, we bring together all the elements of a good life - nice garden, a set of books, an entertainment area, a circle of friends, a walking trail nearby, a clean environment, a safer neighborhood ...

**Silverstone AFH Inc.** is a lively home which supports the needs of elderly living. We harmonize the flux of aging with the constancy of care. With us, there is no need to trouble your thoughts with the well-being of a loved one. It is our vocation to look after them and to approximate the care which you want them to have.

Our residential setting gives the residents a homey feeling of openness and familiarity. Our experienced staff is available 24 hours a day, 7 days a week. Our team is trustworthy and has proved years of being reliable individuals.

## Who We Are

Individuality. Dignity. Privacy.

These values guide the caring concept of our home. We make sure that our residents do not feel restricted or isolated. We give the necessary assistance as well as needless conveniences to uplift spirit.

The individual needs of our residents are provided for by our team of Caregivers and on-call Registered Nurse and Home Doctors. They cooperate in following the care plan for each resident. We refer to the Physician and Family in every decision we make for you.

Age gracefully. Be in a safe and secure setting. The place where you can achieve a healthy frame of mind and body, the place where you can be happy with the best quality care you are receiving is right at **Silverstone AFH Inc.**
